Admiral Stansfield Turner Director Central Intelligence Agency Washington, D. C. 20505

Dear Admiral Turner:

During your recent testimony before the House Armed Services Committee, you gave a presentation on the Soviet civil defense effort. You indicated that your presentation was based on the latest U.S. assessment of Soviet civil defense capabilities, and was the result of a recently concluded U.S. interagency task force review.

As you know, our Committee has devoted a great deal of time to this subject, and we will continue to review it this year as we consider the military authorization bill. I would, therefore, appreciate your providing the Committee with a copy of this latest report since it will be helpful to our deliberations and review.

Your prompt and courteous attention to this request is appreciated.

Sincerely,

G, William Whitehurst
